Subject: **POST Anti-Reproductive Rights Crimes Guidelines Update**

On September 27, 2022, Governor Newsom approved changes to California's Anti-Reproductive Rights Law Enforcement Act ([California Penal Code sections 13775-13778.2](#)) by signing Assembly Bill 1242 into law. These changes to existing law were made to expand and protect the rights of providers and patients in California relating to reproductive care. It also caused the need to review and revise the 2009 POST *Anti-Reproductive Rights Crimes Guidelines* for law enforcement.

The POST [Anti-Reproductive Rights Crimes Guidelines](#) (pdf) have been updated to comply with state law. The guidelines can be found on the [POST Website](#).

Questions regarding these revisions may be directed to [Jason Dahl](#), Law Enforcement Consultant with the Management Counseling and Projects Bureau, at [\(916\) 809-1034](tel:9168091034).
